

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

Gentlemen:

I am writing about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

Please don't. There is nothing more annoying than someone having a conversation on a cell phone next to you. Their tone of voice goes up, your stress level rises, which can increase tension. This can lead to physical altercation. An airplane is no place for this. As the old adage says, "Let sleeping dogs lie".

Please leave the current rules in effect.

Respectively,

S. Ian Britton

Sincerely,

S. Ian Britton
